

UWHS Rotaract Club

Thailand Benefit Banquet and Auction

*24 October, 2008 at 7 o'clock p.m.
University of Washington South Campus Center 316*

We welcome you to attend our banquet and auction fundraiser to support the McKean Rehabilitation Institute in Chiang Mai, Thailand. 100% of the proceeds will be used to buy supplies for the McKean Institute and offset the costs of our international service trip to Thailand in the summer of 2009.

Medical services for patients with leprosy and physical disabilities

The McKean Rehabilitation Institute provides medical assistance to leprosy patients and physically disabled, as well as providing support to integrate patients back into society. Patients can receive physical and occupational therapy, surgery, counseling, vocational training and socioeconomic assistance. The communities served by the McKean Institute learn to generate their own incomes and gain independence through gardening and nursery projects.

How Rotaract can serve the community

The UWHS Rotaract club will be able to serve the hospital and its efforts by helping paint, prepare natural compost pits, garden, farm, package crafts and teach English. Along with the work our group will be able to complete, we will also support the Institute by purchasing necessary medical or agricultural supplies.

We appreciate your support

To support our club in these efforts, we encourage you to attend our Thailand Benefit Banquet and Silent Auction. Tickets are being sold for \$50. Tickets can be purchased on our website with PayPal or by sending a ticket order form or your name, mailing address and the number of tickets you would like to purchase to:

1705 NE Pacific St.

Box 355061

Seattle, WA 98195

c/o Marisa Sylvester

Please make checks payable to Rotaract at UW

Thank you for your support!
