

# **Partners for Work Project**

- **Live Résumés**

Two to three Local Partners for Work job candidates are invited to a club's weekly meeting to give a seven to ten-minute presentation (facilitated by Employment Consultant and/or school district staff) in front of club members on what they are currently doing in school and/or the community and what type of work interests them. Below is a sample of a live résumé profiling the strengths of this job candidate:

## **Bill**

Bill, a 21-year-old Auburn native, enjoys working on computers and is interested in a data entry position. He is familiar with basic computer applications. Although Bill's main interest is in computers, he is also willing to explore other job opportunities.

Bill likes to be around people and has a very charming personality. He rides public transportation and is willing to commute to Seattle. Bill is interested in working either part-time or full-time, Monday through Friday, and is very eager to begin working.

Bill is eligible for training and long-term support services through AAA Employment Services.

Bill says, "I need a job so I can feel self-respect and self-worth, earn some money, gain responsibility, and make a living...plus it is a good opportunity to meet new people.'
